SUBJECT: Asphalt Adjustment Multiplier

TO: District Executives

FROM: W. James Smith  
Acting Director  
Bureau of Maintenance and Operations

This memorandum updates the Asphalt Adjustment Multiplier (AAM) calculated semi-annually as indicated in Pub 242, Section 11.3. The following AAM was calculated based on HMA costs from July 1, 2007 through December 31, 2007:

- The Bituminous Price Adjustment Factor of 6.35% (0.0635) will be applied to all HMA LCCA costs performed from January 1, 2008 through June 30, 2008.

This memorandum will be effective immediately and will apply to all LCCAs performed after January 1, 2008.

If you have any questions, please contact Dan Dawood, P.E., Chief, Pavement Design and Analysis Section, at [ddawood@state.pa.us](mailto:ddawood@state.pa.us) or (717) 787-4246.

Sincerely,

W. James Smith, Acting Director  
Bureau of Maintenance and Operations
