SUBJECT: Asphalt Adjustment Multiplier

TO: District Executives

FROM: Scott K. Young
Acting Director
Bureau of Maintenance and Operations

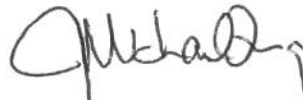

This memorandum updates the Asphalt Adjustment Multiplier (AAM) calculated semi-annually as indicated in Pub 242, Section 11.3. The following AAM was calculated based on HMA costs from January 1, 2008 through June 30, 2008:

- The Bituminous Price Adjustment Factor of 3.95% (0.0395) will be applied to all HMA LCCA costs performed from July 1, 2008 through December 31, 2008.

This memorandum is effective immediately and applies to all LCCAs performed after June 30, 2008.

If you have any questions please contact Dan Dawood, P.E., Chief, Pavement Design and Analysis Section, at ddawood@state.pa.us or (717) 787-4246.

Sincerely,

for Scott K. Young, Acting Director
Bureau of Maintenance and Operations
