# MEMO

**DATE:** February 6, 2009

**SUBJECT:** Asphalt Adjustment Multiplier

**TO:** District Executives

**FROM:** Daryl St. Clair, P.E.  
Acting Director for Bureau of Maintenance and Operations

A handwritten signature in black ink, appearing to read "Daryl St. Clair".

This memorandum updates the Asphalt Adjustment Multiplier (AAM) calculated semi-annually as indicated in Pub 242, Section 11.3. The memo dated February 3, 2009 on the same subject was incorrect with respect to the dates for which to apply the AAM.

The AAM value of 1.0448 will be applied to bituminous costs in all Life Cycle Cost Analyses (LCCA) performed from January 1, 2009 through June 30, 2009. This AAM value was calculated based on bituminous cost adjustments from July 1, 2008 through December 31, 2008.

This memorandum is effective immediately and applies to all LCCA performed after December 31, 2008.

If you have any questions please contact J. Michael Long, P.E., Chief, Roadway Management Division at [johlong@state.pa.us](mailto:johlong@state.pa.us) or (717) 787-1199.
